### ★★★ Julep Myriam Nail Polish

Hands-down chic, we like to think of this pitch-perfect nail lacquer as the LBD of nail polish. Classic and universally flattering, the red-hot creation from Julep, the trend-setting brand known for its quick-drying, vegan-friendly formulas, adds a glam edge to everything from office-worthy suits to off-duty denim.

### ★★★ Julep Konjac Sponge

No time for a facial? Julep's super-soft exfoliating sponge takes natural skin care to the next level: Made from the fibrous root of the Japanese Konjac plant, it's enriched with skin-clarifying charcoal and is gentle enough for sensitive and problem-prone skin.
